Kayak Guide Volunteers Needed

The Laguna Atascosa National Wildlife Refuge offers interpretive half-day kayak tours of the Laguna Madre bay from June – Sept. Tours run Fridays, Saturdays and Sundays. We are seeking volunteers to be guides for these trips with a time commitment from 7:30 am – 1:30 pm for each tour and a minimum of two tours per month. Guide responsibilities include preparing, loading, unloading, cleaning and transporting equipment; instructing participants in basic kayak paddling instruction and safety procedures; interpretation of the refuge and bay habitats from a prepared script; and ensuring group safety at all times on and off the water. This is a great opportunity to share your outdoor skills and love of nature with our visitors. Training is provided, kayak or canoe experience preferred, cpr/first aid certification required.
